

Ho Yew Kee & Huey Huey

Trip to Russia (Khabarovsk) for Ministry to CMBC Russia (2015)

Vermont, USA 2021

Ho Yew Kee and Huey Huey were married in April 1991 in Melbourne when Yew Kee was in Graduate School and Huey Huey just graduated from her undergraduate study. They met at the Overseas Christian Fellowship (Clayton) when they were students at Monash University.

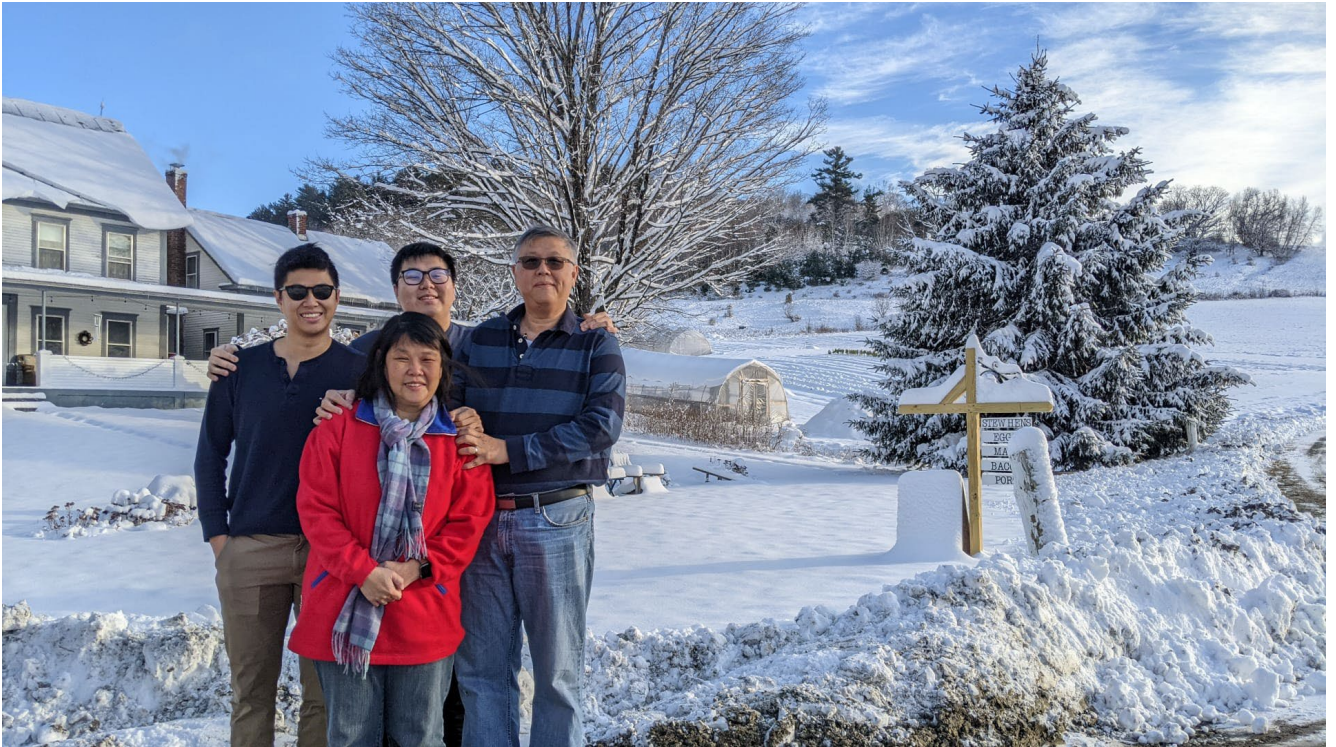

Both of them are trained accountants and currently Huey Huey heads the finance team at a healthcare charity while Yew Kee is Professor of Accounting at the Singapore Institute of Technology. They are blessed with two Boys, Weng Shian (28) and Yi Shian (25) who were born in the US when Yew Kee was a doctoral student. Both Boys are currently residing in the US where Weng Shian works as a trader in Wall Street while Yi Shian is competing his final year at the University of Illinois, Urbana Campaign.

The family used to attend Prinsep Street Presbyterian Church (PSPC) where Yew Kee grew up. When Yi Shian left for US in August 2018, Yew Kee and Huey Huey decided to move to PSPC's sister church (Adam Road Presbyterian Church) which is nearer to their place. Yew Kee and Huey Huey are currently serving in the home cell group, family ministry and Children Church. Huey Huey is also active in BSF while Yew Kee serves in different Christian charities.

Yew Kee and Huey are first generation Christians in their family and with fear and trembling (and much trials and errors), they seek to raise the two Boys in Christ and establish a godly Christian family. This is their story and struggles as Christian parents and how the mercies and grace of God have helped them to grow in their faith and trust in God.

And He has said to me,
“My grace is sufficient for you, for power is perfected in weakness.”
Most gladly, therefore, I will rather boast about my weaknesses,
so that the power of Christ may dwell in me.
(2 Cor 12:9)

Balancing Work and Family

Psalm 103:17-18 says *“But the mercy of the Lord is from everlasting to everlasting for those who fear Him, and His justice to the children’s children, to those who keep His covenant and remember His precepts, so as to do them.”* God wants to bless us and not only us but our children and our children’s children. How do we tap on the blessings of God to flow to our children and our children’s children? The family is a primary source of blessings for our ourselves and our children.

Our work is our offering to the LORD much like our children are offerings too. How do we balance and ensure these two offerings are acceptable to the LORD? How do we ensure that we do not neglect one at the expense of the other?

Come journey with Yew Kee and Huey Huey as they share their struggles and experiences in allowing God to use them as professionals and parents to present their work and their children as offerings unto the LORD. They will be sharing some of their family practices as a first generation Christian parents to help their children to have an active faith in God and yet at the same time serving God in their professional career. Come and see that God is faithful, merciful and has our welfare at heart.
